

PARK

PAID COLLEGE INTERNSHIPS

Description:

6-Month, Part Time, 2 - 3 days per week (16 - 24 hrs/week) starting 2020. Possibility of extension if project work and funding become available.

Salary Range:

\$14.25 - \$16.53 per hour, depending on level of education and work experience.

Location:

Various park site locations, including Thousand Oaks, Calabasas, and Los Angeles.

Positions:

Park Guide/Outdoor Education Intern:

Help visitors and students connect with the outdoors by leading hikes and programs, presenting talks and answering questions for the public. Bilingual in Spanish and English preferred. Location: Thousand Oaks and Los Angeles, CA.

Business Intern:

Assist Grant and Agreement Specialist with contracts, track financial reports, prepare and distribute internal and

partner communications. Learn all about the financial business of park projects.

Location: Thousand Oaks, CA.

Laborer:

Trade-Skills welcomed! Get outside and help maintain our park buildings. Lots of hands-on experience using specialized tools to work on carpentry, electrical, painting, and plumbing projects.

Location: Calabasas, CA.

Nature Neighbor:

Assist with conservation by learning about wildlife research conducted in the park. Work will focus on communicating research findings to local communities to encourage environmental stewardship. Location: Thousand Oaks, CA.

Plants Field Technician:

Help monitor plant diversity, track and treat infestations of wildland weeds, collect native seed, sow and grow in our plant nursery, help lead planting and habitat restoration projects. Local botany knowledge preferred. Location: Thousand Oaks, CA.

Science Data Management Intern:

Work with park scientists to help monitor project data (reptiles, amphibians, mammals, vegetation). Work will focus on helping to maintain databases, analysis, and visual reports. Location: Thousand Oaks, CA.
