Agenda:

1. Identifying potential **dates** (and times) for **Precollege SIG meetings** this academic year:
(December 16, 2021, February 24, 2022, April 2-3, 2022, May 26, 2022, July-ISDC?)
2. **Presentation** (15 minutes): ST/SD lesson in science for students ages 12-14 from a teacher in Meltem's school in Turkey.
Please let us know if you would like to make a precollege ST/SD lesson presentation at a future meeting.
3. **Identifying researchers and research articles** in the area of ST/SD in precollege education
(Emre Göktepe)

A link to hundreds of relevant articles in ST/SD and education, along with another link of authors of those articles and either their website or email contact information will be provided during the Precollege SIG meeting
4. The **SDS Precollege SIG webpage** will be under construction for the next few months. Many exciting changes will be made, with resources and important links. The work is being done by Özgün and we are very lucky to have her innovative ideas for the webpage.
<https://systemdynamics.org/special-interest-groups/pre-college-education-sig/>
5. Discussion on other relevant topics related to the use of ST/SD in Precollege education.
