## Parking Notes (IMPORTANT)

As you will have noticed from the Event Information there are several parking options. Unless otherwise instructed by your Team Leader, please use the map in the Event Information and park as follows:

- If you are arriving in a high vehicle (>2m, i.e. van or mini-bus) then you MUST park in the CoOp car park
- If you are a helper for the Qualifier Start then you MAY park your car on Ormskirk Road (not on the Event Information map) WN8 9AW.
- If you are a helper for the Finals Start then you MAY park in the CoOp car park (**Note:** please pass your registration number to [srichards6@talktalk.net](mailto:srichards6@talktalk.net) beforehand)
- If you don't fit into the above categories:
  - If you are arriving before 09:00 then use "Early Helpers' Car Park" (as the multi-storey which will not be open at this time)
  - If you are arriving between 09:00 and 10:00 then use the multi-storey car park and use the West exit
  - If you are arriving after 10:00, park in the multi-storey and use the more direct route through the Concourse

Please do not try and park at Assembly unless cleared with the Organiser first as space is extremely limited.

## Other Notes

- **Please Note:** I've put your allocated Qualifier start times after your names as a guide for the team leaders – this is NOT your “Meet time”. Also note that some of you may need to use a punching start rather than starting at your allocated time.
- Please read the Event Information – it has a map of the Parking areas and of Assembly  
<http://www.deeside-orienteeing-club.org.uk/events/210821BritishSprintsWeekend/BritishSprintsEventDetails.pdf>
- Please bring
  - folding chair if you have one
  - protection from the elements as almost all jobs are outside
  - food and drink (Although note a late change is that there should be a possibility to buy tea/coffee/biscuits, maybe cakes as Assembly during the gap between the Qualifiers and Finals)
- There are NO TOILETS near either Start – so if this is a problem for you, let me know and I'll swap someone else in for that role; otherwise please go when you are at Assembly.
- Helpers who think they have a chance of being in the top 10 should let your Team Leader know so that we can do our best to make sure you get a start time within or close to your class's start block.
