

Burrell Behavioral Crisis Center

Greene County's first 24/7/365 behavioral health facility

Introducing: Burrell Behavioral Crisis Center

At Burrell, we know you can't plan your crisis. Life doesn't observe normal 9 to 5 hours, or take holidays off. We understand those needs, and are proud to present our Behavioral Crisis Center (BCC), Greene County's 24/7/365 behavioral health crisis facility. The BCC is open to anyone experiencing a mental health or substance-use crisis; we welcome you to walk in today, to start getting the help you need right away.

Rapid Access Unit Services

- Psychiatric assessment and consultation
- Initial assessment eligibility determination
- Induction of Medication-Assisted Treatment (MAT) for opioid-use disorder
