The RRA is seeking a Consultant who has demonstrated experience in successfully developing consensus-based strategic plans, has strong facilitation skills, has proven experience with non-profit strategic planning, and a strong understanding of the structure and purpose of economic development organizations.

Proposals must be submitted in electronic PDF format not exceeding 10megs to: adminrra@rutlandvermontbusiness.com no later than 3 pm on Friday January 13, 2023. Proposals received after the deadline will not be accepted.

All questions related to this RFP shall be directed to Edward Clark, Chair of the Rutland Redevelopment Authority Board of Commissioners at eclark@nbfarchitects.com. Other than very routine questions, all questions will be answered in writing and distributed to all prospective firms.
