## Creating a Healthier Vermont: Advancing Health Equity through Placemaking, Funding, and Support

Learn about the new Vermont Health Equity and Community Design Technical Assistance Pilot and other equity-focused funding and resources

### SAVE THE DATES!

**Tuesday, February 14, 2023**  
**10:30am - 12:30pm ET**

**Tuesday, February 21, 2023**  
**9:00am - 11:00am ET**

#### **Part 1: Technical Assistance Pilot Overview**

This event will share how centering equity can support community-led development, health, and placemaking. Even more, you'll learn what resources are available to support equity projects in your Vermont community

#### **Part 2: Technical Assistance Roundtable**

This follow-up event is an opportunity to learn more about the Health Equity and Community Design Technical Assistance Pilot. You'll connect with potential technical assistance providers to discuss how to move your projects forward

*These events are open to community leaders, local and statewide organizations, neighborhood groups, and interested residents across the state of Vermont*
