

JOIN THE BURLINGTON ELECTRIC DEPARTMENT FOR A LUNCH TIME PRESENTATION ON THE 2030 DISTRICTS, Thursday, March 24, 12:00-1:00, BED Conference Room.

Learn about this **low energy building challenge** and how building owners, governments, utilities, and architects, are adopting the challenge to reach achievable energy and emissions reductions for new and old buildings, districts and cities -- and the important role Burlington can play in reducing greenhouse gas emission. Presented by Eric Morrow from Dore & Whittier Architects and sponsored by BED, this educational and thought-provoking lunch-time event is sure to inspire. Drinks and dessert will be provided. RSVP to Jennifer Green at jgreen@burlingtonelectric.com.
